

PREMIUM LAUNDRY DETERGENT

with Color-Safe Bleach & Enzymes

Our **PREMIUM** Laundry Detergent, formulated with a special blend of biodegradable detergents, enzymes, plus a color-safe bleaching agent for deep cleaning action. The odour counteractant ingredient leaves laundry with a clean, fresh fragrance.

*Fast... soil and stain remover
Delivers... brighter whites and colours
Effective... odour counteractant ingredient*

FEATURES

- Pre-measured Water-Soluble Pouch – provides effective cost control, one pouch per wash-load. Eliminates spills and overuse of bulk powder and liquid detergents.
- Contains Protease Enzymes – which are useful in removing common household stains such as blood, grass stains, milk, gravy, etc.
- Odour counteractant ingredient – eliminates perspiration and other odours from laundry

USAGE

- So easy to use... just drop an unopened pouch into the washer, not in the soap dispenser... add the laundry... start the cycle.
- Works best in warm or hot water
- Use one 1.2 oz pouch of #331 for 18 to 20 lbs. of moderately soiled laundry.
- Use one 2 oz pouch of #131, in a domestic size washer, for an 18 to 20 lb. wash load of heavily soiled laundry.
- For best results on really tough stains; stop the machine during the wash cycle for 10 minutes, to allow the enzymes and **colour-safe** bleach some extra time to work on the stains.

ENVIRONMENTAL

- Contains Bio-Based Ingredients
- Biodegradable and Phosphate Free
- Cartons and pails are recyclable
- Does not contain chlorine
- Water soluble film is biodegradable

PHYSICAL and CHEMICAL PROPERTIES
