

# DRY POWDER CHLORINE BLEACH

This concentrated bleach is for use in laundry machines in retirement homes, boarding schools, commercial establishments with laundry facilities, and health care operations.

*Delivers... brighter whites.*

*Effective... stain remover.*

*Versatile... use along with liquid or powder laundry detergents*

## FEATURES

- Premeasured Water-Soluble Pouch – it isn't necessary to tear open the pouch... it rapidly dissolves in water. These easy to use pouches combine accuracy and control for maximum performance and cost effectiveness.
- Contains chlorine bleach
- Safer to use than liquid chlorine .
- 1 pouch in 3 US Gallons (11.5L) of water will make a 250 PPM of Chlorine Solution.

## USAGE

- Use one pouch along with laundry detergent, for an 18 to 20 lb. load in a domestic size washer.
- For a separate bleaching operation, place one pouch in a container and add 3 gallons of warm water. Then deposit items to be bleached.

## ENVIRONMENTAL

- Easier to dispense than liquid chlorine
- Cartons are recyclable, no need for plastic jugs
- Water soluble film is biodegradable
