FEATURES

- Premeasured Water-Soluble Pouch – provides economical, effective cleaning solutions, without the cost of installing expensive, dispenser proportioning systems.
- Replaces Liquid Products – eliminates waste, overuse and spills, resulting in effective cost control. Inventory control is made easy, and pouches use 60% less storage space. The small, lightweight containers of pouches, eliminates potential injury from lifting heavy cases or pails of liquid products.
- For both general cleaning and spray on/wipe off cleaning procedures.

USAGE

General Cleaning: Make up a solution of one (1) ½ oz pouch in 3 to 4 gallons of warm/hot water.
