

# #173 WASHER RENU

## WASHING MACHINE CLEANER

This useful product cleans and removes unwanted scents from front loading HE washing machines and top loading traditional washing machines.

**Powerful... odour removing ingredients**  
**Effective... cleaning action**  
**Safe... and simple to use.**

### FEATURES

- Removes the built-up soap residue inside the washing machine drum. Cleans and refreshes surfaces.
- Removes musty smells.
- Pre-measured Water-Soluble Pouch – it isn't necessary to tear open the pouch... it rapidly dissolves when it comes into contact with water. These easy to use pouches combine accuracy and control for maximum performance and cost effectiveness.

### USAGE

1. Add one (1) Washer RENU pouch to the washing machine drum WITHOUT any clothing articles.
2. Select "utility" or "maintenance" cycle on your washer (if there is no specialized cycle, then the regular "gentle" cycle may be used).
3. Start and run the cycle.
4. Repeat as necessary.

To keep washers clean, it is recommended to use this product once a week.

### ENVIRONMENTAL

- Non-chlorinated... Biodegradable and Phosphate Free
- Does not pollute waste water.
- Cartons are recyclable.
