

# FLOOR CLEANER

A blend of powerful ingredients, that are effective in cleaning soil and grime from most types of floors – concrete, vinyl and vinyl asbestos, linoleum, ceramic and quarry tile floors.

*Extra Strength... Rinses Fast and Easy...  
Effective... leaving a lemon-fresh fragrance  
Versatile... may also be used for washing walls, vents, hoods, etc.*

## FEATURES

- Premeasured Water-Soluble Pouch – combines proportioning accuracy, with ultimate simplicity. Provides convenient, cost effective solutions. No dispensing device required.
- Replaces Liquid Products – The main ingredient in many liquid products is WATER... up to 90% of the weight and volume. Compared to liquids, Meterpak products weigh about 85% less, and save up to 60% on space requirements, reducing costs on receiving, inventory disbursement and shipping. They virtually eliminate the potential of injuries and compensation claims, that frequently occur in moving heavy cases, pails and drums of liquid products.
